**Director Recruitment**  
**Institute of Biophotonics, National Yang Ming Chiao Tung University**

The Institute of Biophotonics, National Yang Ming Chiao Tung University in Taiwan, is recruiting a full-time Director of the Institute. The initial appointment of the directorship will be for three years, and can be renewed once.

1. The candidate must meet the following criteria:

- (1) Being a scholar or expert related to the field of Biophotonics with rich teaching and research experience, who will commit to administrative obligations and coordination.
- (2) Hold the academic rank of Associate Professor or Professor, or possess equivalent qualifications that would merit such an appointment at NYCU.

2. Application

Qualified candidates are welcome to submit the application or accept the nomination from others. Consent of the candidates is required if nominated by others.

3. Candidates should provide the following documents in electronic format (PDF)

- (1) A detailed curriculum vitae
- (2) 3 to 5 representative academic publications
- (3) A proposal outlining their vision and development plan for the Institute
- (4) At least one letter of recommendation.

4. Deadline: Thursday, Oct. 16th, 2025

5. Please email all required documents to [dhcr@nycu.edu.tw](mailto:dhcr@nycu.edu.tw)

6. Contact information

Tel: (02)2826-7000 ext 65669

Fax: (02) 2823-5460

E-mail: [dhcr@nycu.edu.tw](mailto:dhcr@nycu.edu.tw)

p.s. After reviewing the received applications, suitable candidates will be notified of the ensuing interview
